Active Transportation Committee

Draft Outline of Goals and Schedule

Draft Goal (For Discussion):

“The goal of WAMPO’s Active Transportation Committee is to produce a revised Regional Plan for Active Transportation, reflecting a consensus of the communities and including a collective vision as well as specific policies and actions for WAMPO and its constituent communities.”

Draft Schedule (For Discussion):

We anticipate that the Committee will meet quarterly over a period of about three years to develop this plan, and that the incremental steps involved will include:

1. During 2021 –
 - Data Acquisition
 - Location, type and condition of existing facilities of all types, identified on map
 - Integrate bicycle/pedestrian count data?
 - Integrate bicycle/pedestrian crash data?
 - Data Accuracy
 - Identify missing linkages
 - Determine criteria to be used to identify needed facilities
 - Review communities’ existing plans and policies
 - Bicycle and pedestrian plans
 - Other ordinances, plans and policies that affect pedestrians and cyclists and implementation of bicycle and pedestrian plans
2. During 2022 –
 - Develop vision for the future for active transportation in our region
 - Initial Draft of Report/Revised Regional Plan - reflecting regional voice, and proposed collective actions, on Active Transportation development
3. During 2023 –
 - Revise and Refine Report/Plan
 - Develop and document proposed policies and specific proposed improvements to facilities or criteria for identification
